The November 19, 2020 Emeriti Association Zoom meeting featured Professor of Biomedical Sciences and Associate Dean, Research and Innovation, at the Heritage College of Osteopathic Medicine.

Emeriti President Rosemar Rossiter hosted the Zoom meeting! Due to scheduling, the first segment featured informal chat room sessions so that Emeriti could share information and questions! Professor Serran was then introduced by Emeriti Association Vice President Cott (Good!).

Below are a synopsis and selected screen shots from the Zoom conference and presentation! For those Emeriti who missed the meeting, an audio (PDF) file of the Zoom presentation can be made available!

The next Emeriti Association meeting is scheduled for [redacted] and [redacted] and will also be held using Zoom! An invitation for the Zoom meeting will be sent to all those on the Emeriti sent to emergiti@ie
